

Belonging is more than fitting in.

Quakers **rejoice** in the things that make us different.

## Quakers in Britain is committed to working for equality and peace.

**Quakers in Britain is an LGBTQ+ affirming faith group.**

We believe everyone can equally access the divine.

We were the first church to affirm LGBTQ+ relationships.

We campaigned for the right to marry same-sex couples in religious settings before it became legal in 2014.

In 2021 Quakers nationally committed to providing places of worship and community that are welcoming and supportive to trans, non-binary and gender diverse people, and that work continues.

**We continue to learn and grow together, living out the Quaker testimony to equality as a loving and faithful community. Find out more at [www.quaker.org.uk/lgbt-inclusion](http://www.quaker.org.uk/lgbt-inclusion).**
