

New Shoots minute (0-2 year olds) Yearly Meeting 2023

We enjoyed the theme of truth and joy through sensory exploration and new experiences.

We found it difficult for our parents to leave us with strangers, but our helpers did lots of things to make us feel safe.

We took the toy food in and out of the box, played with playdough and read stories; the story Handa's Surprise let us taste some different fruits.

We enjoyed the magic balloons over the air conditioning unit.

We played on the balcony with the Fox Cubs and found the Light Explorers in the park. We enjoyed bursting bubbles and chasing birds.

We ended our sessions with worship flowers opening in water and light changing bunnies.
